Good afternoon,

Please accept my apologies for the delay in my reply.

Although there is no change to the information provided in the Office of Protocol's circular messages to missions regarding absence of specific concerns for diplomatic missions in Ottawa, we continue to recommend following media and police sources for the latest developments.

~

We can also provide some additional information regarding the Emergencies Act. A good explanation of the legislation is found at the following Government of Canada webpage:

<https://www.canada.ca/en/public-safety-canada/news/2022/02/federal-government-declares-a-public-order-emergency-under-the-emergencies-act-to-end-disruptions-blockades-and-the-occupation-of-the-city-of-ottawa.html>.

Best regards,

~
